Bluestone Energy Completes Acquisition of Control Solutions

Demand for energy-conservation programs fueling growth

Norwell, Mass – March 26, 2009 – Bluestone Energy Services, LTD., a leader in energy conservation engineering and project development services for industrial and commercial clients, announced today the completion of its acquisition of Bedford, Mass-based Control Solutions in an all-asset-purchase transaction.

“We’re delighted to have Control Solutions become part of Bluestone Energy. Under Ken Rackowski’s leadership, Control Solutions became a well-known and respected name in the area of computerized building control systems,” said Peter Fairbanks, President of Bluestone Energy. “This acquisition adds expertise to our controls program and will help us make our customers’ facilities and infrastructure more efficient.”

“I am extremely pleased and excited to join the Bluestone family. Bluestone Energy is widely respected in the Northeast as a company known for its comprehensive approach to energy conservation,” said Ken Rackowski, President of Control Solutions.

Control Solutions will become part of Bluestone Energy, and Control Solutions’ President, Ken Rackowski, will lead Bluestone’s Controls Division. This acquisition comes on the heels of the recent formal launch of Bluestone’s Data Center Services Division and the November, 2008 opening of Bluestone’s Chicago office.
